The papers leading to the Govt Order show that all possible concession has been shown to the man & that his case has been considered carefully. Hari Singh then requested that he might either be granted a consolidated pension for the service rendered by him in the two Deptts, or that pension might be sanctioned for the two services separately or that he might be retained

repeated by him in his memorial under disposal. The allegation made in para 3 that he is aged only 53 years is not true. He had completed 55 years when he was retired and the ~~date~~ year of his birth being 1865, his age now is 59 years. When at the end of 55 years, he was found to be physically quite unfit for further service, he must be much more so now, and his retention in service appears, therefore, to be out of question. As regards his pension, all that could be done has been done, and there is no room for any further concession under the Service Regulations.

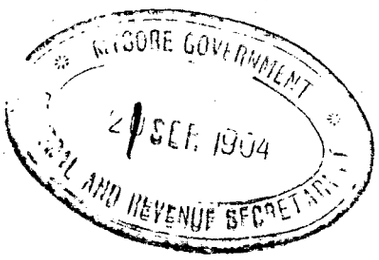
MEMORAL

Representation of Hari Singh, late Shekdar of Kasaba Hobli Gundalpet Taluk, Mysore District.



PS with P/o BV
Recd 19.9.04

The Memorialist has served about 14 years in the Savar branch, Military Department of His Highness the Maharaja of Mysore and from the above department, Memorialist served for a short time in the Police and from thence as Shikdar in the Revenue line for 22 years.

2. Though the Memorialist is still strong, efficient and capable of discharging Government duties the Deputy Commissioner has placed the petitioner on pension list by simple reason, that the petitioner is unable to do the Government work, this being the immagination of the Amildar, which is not supported by medical opinion.

3 The Memorialist is aged only 53 years and did not complete 60 years as yet, and as already stated in para 2 he is able to work same time longer.

4. The Government have sanctioned ₹156 as gratuity for the services rendered in the Military Department and a pension of ₹8-9-5 for the services in the Revenue Department.

5. The Memorialist feels it a mistary, as he has served only one Government and not two, but the Government have given a gratuity and also pension which is rather a confusion.

6. The petitioner prays to grant him a pension of ₹12-8-0 for the services rendered by him Viz: 14 + 22 = 36 years in the Government of His Highness the Maharaja of Mysore or to keep him in service till he attains 60 years.

7 The Memorialist begs to state that the Government have awarded pensions to several employes, who have served in the Palace and also in the Municipality together with the services in the Revenue line, consequently the petitioner prays to show him the same concession as was done to others.

8. In conclusion the Memorialist begs to state that from the 19th December 1901 he was placed on pension list and from that time the petitioner had to run in debt in order to protect his family and children consisting of 8 members, and so the debt is increasing and the creditors forced to go to a court of Law.

9. The Memorialist humbly prays to take his diplorable circumstances into kind consideration and shew him justice as was done to several officials lately.

10. For which act of kindness and charity the Memorialist with his family ever prays for His Highness' long life and prosperity.

The Memorialist begs to
remain,
His Highness' most obedient and humble servant,

Late Sheikdar, Gudalpet, Taluk.
